

IPBM 2026 Experience Zone

Operation Plan (Kor)

태웅메디칼이 Experience Zone에 참여할 수 있는 기회를 주셔서 감사드립니다.

저희는 Experience Zone에서 아래 3가지 아이템을 가지고 진행하려고 합니다.

1. LAMS(SPAXUS STENT)

- 내시경초음파 유도 채장 가성낭종 배액술에 사용 가능한 LAMS Hands-On.

2. BILIARY RFA(ELRA ELECTRODE)

- 담관협착을 동반한 담관종양 고주파 열 치료술에 사용 가능한 RFA Hands-On.

3. Biliary Metal Stent & Plastic Stent

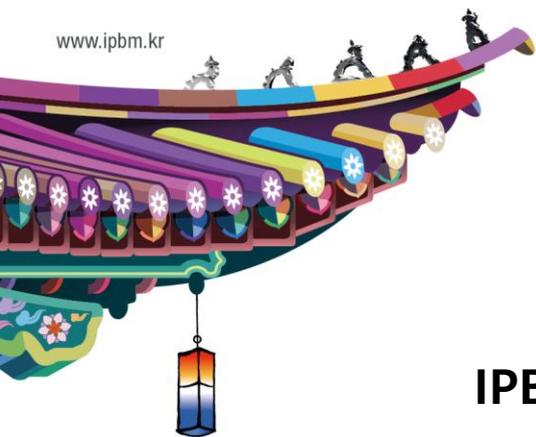

- 양/악성 종양으로 유발된 담관협착에 사용 가능한 Metal Stent Hands-On
- 양/악성 종양으로 유발된 담/췌관에 사용 가능한 일체형 Plastic Stent Hands-On

태웅메디칼의 Experience Zone에 오시면 4가지 제품에 대한 Hands-On Session 및 동영상 통해 자사제품을 소개드릴 예정입니다.

많은 관심과 참여 부탁드립니다.

감사드립니다.

IPBM 2026 Experience Zone Operation Plan (English)

Taewoong Medical would like to express our sincere gratitude to all the organizing members and the attendees of IPBM 2026. We are grateful for this opportunity to participate in the experience zone.

Taewoong Medical Experience Zone, we will prepare these 3 following items.

They will be actual products, hands-on training sessions and video reference.

1. LAMS (HOT SPAXUS STENT > Lumen-Apposing Metal Stent)

- The lumen-apposing metal stent designed for the drainage of a pancreatic pseudocyst, a gallbladder through a transgastric or transduodenal approach
- Hands-on Training Session

2. Endoscopic Biliary RFA (ELRA > Electrode & VIVA Combo Generator)

- An endoscopic bipolar RFA electrode used to ablate tissue in malignant biliary tract obstruction accompanying biliary stricture
- How RFA works within an organization

3. Biliary SEMS & Plastic Stent

- Niti-S™ Biliary Metal Stent models which can be used on Hilar/Common bile Duct
- Brand new Integrated Plastic Stent
- Hands-on Training Session

We kindly ask you to visit our experience zone and Let's Practice together!

Thank you.
