

IPBM2026 OLYMPUS Experience Zone

- **Date & Venue** : 2026-04-03(Fri)_Grand Hall 2 / 2026-04-04(Sat)_Grand Hall 3
- **Time** : 09:00 ~ 15:20

올림푸스는 IPBM 2026 Experience Zone을 통해 Pancreatobiliary와 관련된 모든 라인업을 소개하고, 의료진과의 소통을 위한 자리를 마련했습니다.

특히, New EUS Scope GF-UE290과 EUS Processor EU-ME3를 선보이며 향상된 성능과 새로운 기능들에 대해 자세히 설명드릴 예정입니다.

또한, Simulator를 활용해 새로운 EUS-FNB needle / Stone management / Guidewire / Sphincterotome / Cannula 등 다양한 제품을 직접 체험할 수 있는 공간도 마련했습니다. 많은 참석 부탁드립니다.

1. New product introduction Session (Station 1):

New EUS Processor EU-ME3

- S-Focus
- C-THE Mode
- i-ELST
- Shear Wave Quantification
- EUS-FNB Needle

2. ERCP Hands-on Session (Station 2):

New ERCP training model

- Stone management(Basket, Balloon, BML) / Guidewire
- EVIS X1 + TJF-Q290V

ERCP Cannulation-EST training model

- Guidewire / Sphincterotome / Cannula
- EVIS X1 + TJF-Q290V

* Experience Zone을 방문하시어 Olympus의 다양한 제품들을 체험하시면 소정의 기념품을 드립니다.

IPBM2026 OLYMPUS Experience Zone

- **Date & Venue** : 2026-04-03(Fri)_Grand Hall 2 / 2026-04-04(Sat)_Grand Hall 3
- **Time** : 09:00 ~ 15:20

Through the IPBM 2026 Experience Zone, Olympus introduce all the lineup related to the Pancreatobiliary and prepare a venue for communication with medical professionals.

In particular, We will introduce the New EUS scope GF-UE290, EUS processor EU-ME3 for the first time, detailing its improved performance and new features.

We will also prepare a space where you can experience various products such as New EUS-FNB Needle / Stone management / Guidewire / Sphincterotome / Cannula using Simulator.

We look forward to your attention.
